NGI-CH and EGI 2014

- **SwiNG is the Swiss EGI.eu member (NGI-CH)**
- **SWITCH, ETHZ (CHIPP), UZH have a JRU for EGI-InSPIRE (FP7 project) participation. Expires end of 2014**
- **New main EGI project will be EGI-Engage. Dean Flanders (SwiNG president) has handed in a proposal. CHIPP not involved.**
- **We have asked funding for our EGI participation and operation from SUC-P2 for 2015 and 2016. SwiNG pays 2014 (?)**

Movements in EGI.eu

- **Now also operates a federated cloud infrastructure**
- **Governance change for 2015**
 - **New membership model**
 - **May become more expensive for CH**
 - **Worst case we can be consumer and not member**
 - **Could just pay a service fee (10-20 kCHF)**
